Projects

My Portfolio | Newton School of Technology [\(link\)](#)

July 2024 - August 2024

Developed a personal portfolio website utilizing:

- **HTML**: Structured the content of the website.
- **CSS**: Styled and enhanced the visual presentation.
- **JavaScript**: Added interactivity and dynamic functionality.

Features of the Website:

- Showcases a collection of my projects, tools, and technologies.
- Provides detailed information about my skills and professional background.
- Includes a user-friendly interface and responsive design for optimal viewing on various devices.

Skills

Computer languages Javascript, HTML, CSS

Co-Curricular Activities

National Bronze Medalist in Karate (2017)

Achieved third place in the national karate championship, demonstrating excellence in martial arts, discipline, and competitive spirit.
